

how to coach women pdf

Coaching Female Athletes – Use the “Sandwich Theory of Criticism.”
o Start with positive feedback
o Follow this with 3 pieces of information. This includes (1) what happened, (2) what should have happened and (3) why it should have happened.
o Finish with one more piece of positive encouragement.

Coaching Female Athletes - USA Hockey

To that end, what is critical in coaching women is that all the players on the team have to feel like they have a personal connection with the coach, and it has to be unique. So, your effectiveness with women is not necessarily through a powerful presence and force of will; it is through your ability to relate to them.

A good coach will make sure each player receives the level of support she needs. Be aware that an athlete may require an explanation as to why she is being treated differently to another player. Each individual will have different motivations and goals; the coach needs to be able to manage all of these and get the team to work towards one goal.
