Hold a box in your hand in such a position that you only see the front and top of it. Observe that as we view the top, its outer edges appear to converge. This condition is caused by an optical illusion. As the top turns away from us, the relationship between the length and width changes or diminishes. This phenomenon is known as foreshortening.

So, just what is Shenmue? JibbyVideos have done a spectacular job making this video showing what the Shenmue series is all about. If you were not around in 1999 when Shenmue first came out, or did not have the opportunity to play it if you were, you may have missed this game which has gone on to win the hearts of

gamers everywhere, and influenced so many games to come after it.
