A market is one of the many varieties of systems, institutions, procedures, social relations and infrastructures whereby parties engage in exchange. While parties may exchange goods and services by barter, most markets rely on sellers offering their goods or services (including labor) in exchange for money from buyers. It can be said that a market is the process by which the prices of goods and ...

The first building at the Market, the Main Arcade, opened November 30, 1907. At its opening, a forty-piece band performed for a large cheering crowd. During the early years of the Pike Place Market, Seattle city ordinances limited its hours of operation to only 5 am to 12 noon, Monday through Saturday, and placed initial supervision of the facility with the city Department of Streets and Sewers.
