There is a growing body of evidence supporting an association between what are termed high performance or high commitment human resource management (HRM) practices and various measures of organizational performance.

### **Human resource management and performance: a review and**

Human resource management (HRM) has frequently been described as a concept with two distinct forms: soft and hard. The soft model emphasizes individuals and their self-direction and places commitment, trust, and self-regulated behaviour at the centre of any strategic approach to people. In contrast, the hard model stresses the rationalism of strategic fit and places emphasis on performance ...
