GuidinG PrinciPles on Business and Human riGHts

Human rights are moral principles or norms that describe certain standards of human behaviour and are regularly protected as natural and legal rights in municipal and international law. They are commonly understood as inalienable, fundamental rights "to which a person is inherently entitled simply because she or he is a human being" and which are "inherent in all human beings", regardless of ...

Human rights - Wikipedia

The Universal Declaration of Human Rights (UDHR) is a UN General Assembly declaration that does not in form create binding international human rights law. Many legal scholars cite the UDHR as evidence of customary international law. More broadly, the UDHR has become an authoritative human rights reference.

International human rights law - Wikipedia

Our positive impact on society focuses on enabling healthier and happier lives for individuals and families, on helping the development of thriving and resilient communities, and on stewarding the planet's natural resources for future generations, with a particular focus on water.
