### **Interpretation Of Laws Act Chapter 1 Tanzania**

The international community, however, often lacks the resources and willingness to carry out a key part of this responsibility, that is, to undertake humanitarian intervention effectively when required. One potential solution to this problem is to outsource intervention to private military and security companies.

### **Outsourcing the responsibility to protect: humanitarian**

Walzer defines humanitarian intervention as a response to massive human rights violations, and he distinguishes it from other kinds of intervention: intervention to protect one's own nationals, intervention in a civil war to preserve a 1 References to the prefaces of different editions of *Just and Unjust Wars* (1977, 1992, 2000, and 2006 ...

### **From Right to Intervene to Duty to Protect: Michael Walzer**

Humanitarian intervention can be seen as a moral duty to protect but it is also subject to misuse as a front for imperialism without regard to international law. In *Humanitarian Intervention*, the contributors explore the many questions surrounding the issue.
