Futurity therefore points us to the centrality of the promise for phenomenology, recasting phenomenology as a promissory discipline. Clearly written and carefully argued, this book provides fresh insight into the phenomenological provenance of the "theological" turn and the phenomenological conclusions of Husserl, Levinas, and Derrida.

As Husserl once expressed his ambition, the goal of transcendental phenomenology was to fulfill "the secret longing of Western philosophy." This historically unprecedented demonstration of how (transcendental) subjectivity represents the fundamental problem of philosophy characterizes the unique promise of Husserl's phenomenological enterprise.

Introduction THE PROMISE OF TIME: SUBJECTIVITY IN HUSSERL

From Husserl's account of protention to the recent turn to eschatology in "theological" phenomenology, the future has always been a key aspect of phenomenological theories of time. This book offers the first sustained reflection on the significance of futurity for the phenomenological method itself.
