The MIT Press has been a leader in open access book publishing for two decades, beginning in 1995 with the publication of William Mitchell's City of Bits, which appeared simultaneously in print and in a dynamic, open web edition. We support a variety of open access funding models for select books, including monographs, trade books, and textbooks.

WHAT IS DEVELOPMENT? Development has a history of being linked with capitalism (see the History of development briefing) with "Good Change"™ commonly associated with industrialisation and modernisation on the basis of free markets. Therefore, development is closely bound with ideologies and values which are explored in the next section.
