Imagining The World Into Existence: An Ancient Egyptian

The Word is thought or imagination. God imagined the world into being and became that which He conceived. This is the principle on which all creation rests. Since God became man to give man life, man must contain that same creative principle within himself. "The Kingdom of Heaven is within you." We have created our personal world through thought.

IMAGINATION CREATES REALITY - Neville Goddard

When implementing the Iron Triangle into practice it is crucial to ask the project team to rank the three constraints (Morris and Sember, 2008). This is one of the fundamental ideas that cannot be neglected. When changes occur it is important for the project ... PM World Journal Re-imagining the Iron Triange: ...
