The result of this proven ongoing work-life balance program is a common management and organization language that multiplies many times over enterprise-wide commitment and performance.

### **Work-Life Balance: Learn About Life and Work Balance Benefits**

Work-life balance is the term used to describe the balance that an individual needs between time allocated for work and other aspects of life. Areas of life other than work-life can be, but not limited to personal interests, family and social or leisure activities. The term 'Work-Life Balance' is recent in origin, as it was first used in UK and US in the late 1970s and 1980s, respectively.

In banking and accounting, the outstanding balance is the amount of money owed, (or due), that remains in a deposit account.. In bookkeeping, 'balance' is difference between the sum of debit entries and the sum of credit entries entered into an account during a financial period. When total debits exceed total credits, the account indicates a debit balance.
