Carriers in a Common Cause

Carriers in a Common Cause

Common Cause knows the ultimate power in a democracy is the people. To be truly of, by, and for the people, government must reflect everyone it serves. Weâ€™re all better off when people from all walks of life participate in self-governance.

About Us - Common Cause

Common cause failures have been modeled and measured. In theory, ultra reliability can be achieved for any system by providing sufficient redundant or spare components. In practice, common cause failures can disable all the back-up components so that the system fails.

Common cause failures and ultra reliability 2 - NASA

If common cause variations occurred with the band 5 ± 2 minutes, by lowering the mean, the variations will be 3 ± 2 minutes. The total variation then will range from a low of 1 (3-2) to a high of 7 (5+2), instead of the original range of 3 to 7 (5 ± 2).

Identifying Common Cause and Special Cause Variations
