An integrated theory of language production and

An Integrated Theory of Language Production and Comprehension Martin J. Pickering University of Edinburgh Department of Psychology 7 George Square Edinburgh EH8 9JZ ... Importantly, language production is a form of action and language comprehension is a form of perception. Therefore, traditional psycholinguistics also assumes the ...

An Integrated Theory of Language Production and - SNU

English language teaching (ELT) policies and practices. PBA builds on the current work on language policy and practice, but instead of providing a set of standards, it identifies a set of principles that can help policymakers in diverse contexts develop locally appropriate language policies and practices.

A Principles-Based Approach for English Language Teaching

Pickering & Garrod (P&G) argue forcefully that language production and language comprehension are richly interwoven, allowing for fluid, highly interactive discourse to unfold.
