Download [PDF] Intercultural Language Use And Language

In so doing, the volume brings together three main research areas: those of the study of English as a lingua franca, the development of communicative competence and the use and acquisition of a language beyond a second one in instructed contexts.

Intercultural Language Use and Language Learning

intercultural encounters, the concepts of intercultural language use and language learning are tackled from different perspectives in each chapter. As has been previously mentioned, the first three chapters (see House, Alc n and Celce-Murcia, this volume) provide the theoretical framework for the volume.

Intercultural Language Use and Language Learning

1 An Introduction to Intercultural Communication Sometimes intercultural conversations go very smoothly and are extremely intriguing; think of a walk at sunset on a beautiful beach, for example. At other times, participants unexpectedly run into some turbulence and things don't go as well as planned.

1 An Introduction to Intercultural Communication

ABOUT THIS RESOURCE Intercultural language learning (IcLL) provides knowledge, skills and values for our students that will enable them to use language in culturally aware and sensitive ways.
