Conducting Transatlantic Business: Basic Legal Distinctions in the US and Europe by August G. Minke - BookBoon The perception of Europeans and Americans about each other's laws is often wrong, yet people are so convinced that they have heard it right, that smaller and even medium sized businesses make important decisions based on wrong assumptions.

### **International Trade: Theory and Evidence - Download link**

International trade theories are simply different theories to explain international trade. Trade is the concept of exchanging goods and services between two people or entities. International trade is then the concept of this exchange between people or entities in two different countries. People or ...
