Interpretation of folklore is necessary along with collection and classification of various folklore items. In order to understand the folk, we must collect products of their mind, classify them and interpret them with the help of some theories. So, mere collection of folklore item is not enough to understand the folk.

Psychoanalytical Study of Folktale - IOSR Journals

interpreting folklore - FolkloreFall 2011 Because of the relationship folklore has with people, I found the examples on how each interpretation applies to folklore particularly struck me with the question of how well these interpretations work and which interpretations I feel work best.
