Intimate Friends, by Martha Vicinus, traces the intricate involvements—romantic, erotic, familial, and friendly—of various groups of mostly elite women from the late eighteenth to the early twentieth century. The book is a great read, full of intrigue and outrage, sexual liaisons and anguished but chaste involvements, and, above all, drama.

Women have always found ways to love women, even if the explicitness of their eroticism has varied considerably. Even Victorian women, for all their reputed naivety, explored lesbian desire [End Page 760] through adroit sexual self-fashioning. As Martha Vicinus stresses of women whose love lives are not fully archived, "it would be foolish and arrogant to assume that none of these women knew their bodies well enough to practice sexual relations to orgasm with another woman" (230).
