India's United States Relations Overview

2006. Although India was only the 21th largest export market for the United States in 2006, the United States has become India's leading trading partner, mostly due to the growth in India's exports to the United States. However, recent increases in trade with China have made it a close second to the United States. In 2006, the U.S.

India-U.S. Economic and Trade Relations

Sometimes a PDF file becomes damaged or contains corrupt data. If you downloaded the PDF from the web or received it in an email, download the PDF again or ask the sender to resend it.
