155 Justice Between the Young and the Old I The alternative view considered in this section appeals to many because it makes substantive claims about distribution between the temporal parts of lives while still, in a sense, maintaining allegiance to the lifetime perspective. This view motivates a different attitude to the practical issues I began with.

Justice Between the Young and the Old - Project MUSE

In a world of limited resources, competition between the young and old prompt difficult questions of justice. In countries with public pension and health care systems, or with aging populations, there is often a concern that members of different generations are not always treated fairly.
