The Martin JRM Mars is a large, four-engined cargo transport seaplane designed and built by the Martin Company for the U.S. Navy during the World War II era. It was the largest Allied flying boat to enter production, although only seven were built. The United States Navy contracted the development of the XPB2M-1 Mars in 1938 as a long range ocean patrol flying boat, which later entered ...

In order to find the documents you need, you will need to look at the Street Index maps, elsewhere on this site. The Street Plan Numbers will all appear on those maps. Please note: Some of our original plans have information written on both the front and back of the plan. In order to preserve this information, both sides of the document have been scanned and both images will be present in the ...
