

leading with authenticity in pdf

Valuing Authenticity: Authenticity in a leader generates trust from others. Trust is an elusive quality, but in its absence almost nothing is possible. Self awareness and a focus on learning underlie authenticity. Change and Transition: Change and transition is not the same thing. Change is a new way of doing something.

Leading With Authenticity in Times of Transition

chosen Bunker & Wakefield's Leading with Authenticity in Times of Transition for this month's book review. Bunker & Wakefield says the challenge of leading organizations through change goes beyond setting strategy, making plans, and implementing the structures and processes of change.
