

learning online with games pdf

6 Serious games also have other names, including immersive learning simulations, digital game-based learning, gaming simulations, and “games you have to play,” to name a few. While some distinctions may exist between these, I use “serious game” as the “umbrella-term” for any kind of online game for learning.

Serious games: online games for learning

Introduction to Using Games in Education: A Guide for Teachers and Parents Page 8 Games provide an excellent environment to explore ideas of computational thinking. The fact that many games are available both in a non-computerized form and in a computerized form helps to create this excellent learning environment.
