

legal aspects of medicine pdf

Having disregarded these vital issues for many years, physicians have suddenly become very aware of litigation-related problems. Having been interested for a long time in the logic of the law and the romance of legal research, I thought it would be useful to create a book that would result in the blending of great minds in law and medicine.

Legal Aspects of Medicine | SpringerLink

A socio-legal analysis is undertaken of whether the intervention of the criminal law in health care is defensible, and whether it can, in fact, achieve the realization of social goals. It is ...
