This timeline of modern American conservatism lists important events, developments, and occurrences which have significantly affected conservatism in the United States. With the decline of the conservative wing of the Democratic Party after 1960, the movement is most closely associated with the Republican Party (GOP). Economic conservatives favor less government regulation, lower taxes, and ...

As a follow-up to Tuesday's post about the majority-minority public schools in Oslo, the following brief account reports the latest statistics on the cultural enrichment of schools in Austria. Vienna is the most fully enriched location, and seems to be in roughly the same situation as Oslo. Many thanks to Hermes for the translation from Unzensuriert.at:

Mini-Conference Themes. Each mini-conference will consist of 3 to 6 panels, which will be featured as a separate stream in the program. Each panel will have a discussant, meaning that selected participants must submit a completed paper in advance, by 1 May 2018. Submissions for panels will be open to all scholars on the basis of an extended abstract.
