Ethics is a key component of good governance (Perry et al. 2014) and has significant potential to affect public trust in all forms of government (Joyce 2014). Previous research has identified a number of factors that can shape standards of conduct within an organization, among which the role of leadership has attracted significant attention (Grojean et al. 2004; Steinbauer et al. 2014).

What Determines Ethical Behavior in Public Organizations
