

life after death the pdf

Here are three universal truths: (1) Life is God because everything is a part of God. (2) Light is God because everything is made of light. (3) Love is God because everything is held together by God. These truths come from people who have had near-death experiences. These same truths come from Jesus, Buddha, Krishna, Moses, Muhammad, Zoroaster, etc..

Near-Death Experiences and the Afterlife

Afterlife (also referred to as life after death) is the concept that an essential part of an individual's identity or the stream of consciousness continues to manifest after the death of the physical body. According to various ideas about the afterlife, the essential aspect of the individual that lives on after death may be some partial element, or the entire soul or spirit, of an individual ...

Afterlife - Wikipedia

Death is the cessation of all biological functions that sustain a living organism. Phenomena which commonly bring about death include aging, predation, malnutrition, disease, suicide, homicide, starvation, dehydration, and accidents or major trauma resulting in terminal injury. In most cases, bodies of living organisms begin to decompose shortly after death.
