Living Off The Grid - [PDF Document]

Going off-grid is a major change. Try to find solutions so the rest of the family can still enjoy life. A common way to do that is to have an outbuilding that is connected to the grid, or has a solar system, so a TV, computer, video game, etc. can be used there. If powered by a solar system, it should be on its own separate system to avoid dirty electricity in the house.
