LuXuRy HOMES [HOuSE REVIEW] although our clients wanted an extremely luxurious home with top-of-the-line products and details, they also requested a functional and sustainable design. Along with fine craftsmanship and materials, there is also an elaborate rainwater collection system, solar panels, and a wind power generator.

Therefore, the objective of this paper is to develop a comprehensive concept of luxury brands based on a solid conceptual framework. As luxury brands are obviously characterized by selling luxury products, they are usually defined by product-related characteristics (Meert and Lasslop2003, p. 6; Böttner et al.2006, p.

12;Valtin2004, p. 30).
