Space is the boundless three-dimensional extent in which objects and events have relative position and direction. Physical space is often conceived in three linear dimensions, although modern physicists usually consider it, with time, to be part of a boundless four-dimensional continuum known as spacetime. The concept of space is considered to be of fundamental importance to an understanding of ...

Yes, with pleasure. First, please write to the musician Ron Sexsmith, after whom the font is named, and get him to change his name. You may also want to write to Sexsmith, Alberta, Canada, and see if you can get them to change their name before any of your students inadvertently consult a map. Christian rocker Paula Sexsmith ought to be in your sights as well; don't let her feel left out.
