Management And Ministry Appreciating Contemporary Issues

Management and Ministry: Appreciating Contemporary Issues Paper - John Nelson : Westminster John Knox Press

Management and Ministry: Appreciating Contemporary Issues

structure. In addition, experience gained in a regional division is often excellent training for management at higher levels. Large, diversified companies are often organized according to product. All the activities necessary to produce and market a product or group of similar products are grouped together.

Defining and Solving the Organizational Structure Problems

The purpose of management in Christian organizations is to create a fertile climate for spiritual service—a sense of shared mission, wise stewardship of resources, and mutual supportiveness. The purpose of a Christian ministry is not excellent management per se. Management is merely a means to the end of serving God.
