Marion Power Shovel Company was an American firm that designed, manufactured and sold steam shovels, power shovels, blast hole drills, excavators, and dragline excavators for use in the construction and mining industries. The company was a major supplier of steam shovels for the construction of the Panama Canal. The company also built the two crawler-transporters used by NASA for transporting ...

Marion Power Shovel Company - Wikipedia

A steam shovel is a large steam-powered excavating machine designed for lifting and moving material such as rock and soil. It is the earliest type of power shovel or excavator. Steam shovels played a major role in public works in the 19th and early 20th century, being key to the construction of railroads and the Panama Canal. The development of simpler, cheaper diesel-powered shovels caused steam ...

The American Tobacco Company. The anti-smoking conspiracy began over a century ago. Skull & Bones members ring-led the creation of the American Tobacco Trust, to gather all the companies under anti-smoker control. But they knew that they couldn't just take over the tobacco companies and shut them down, because others would simply enter the field.
