MaRS " Marketing Communications Marketing Communications .1 Objective I: Establish preference and  
generate demand Objective number one, "to create and sustain demand and preference for the  
product," is directly linked to the desired positioning of your product or technology.

**Marketing Communications Workbook**

Marketing and corporate communications are considered as a form of organisational communication activity,  
using relationship marketing principles as the base. Recommended for use on undergraduate marketing units  
and postgraduate programmes where marketing/corporate communications units are offered.
