Marrow Of The Nation | Download eBook PDF/EPUB

A landmark work on the history of sport in China, Marrow of the Nation tells the dramatic story of how Olympic-style competitions and ball games, as well as militarized forms of training associated with the West and Japan, were adapted to become an integral part of the modern Chinese experience.

Marrow of the Nation: A History of Sport and Physical

When will China be able to invite all the world to Peking for an International Olympic contest? Nearly a century later, on the eve of China's first-ever Olympic games, this innovative book shows for the first time how sporting culture and ideology played a crucial role in the making of the modern nation-state in Republican China.

Marrow of the nation : a history of sport and physical

Games to China's sense of national identity and global standing. It shows that, even given China's recognition as a rising sports power, weaknesses and indignities of the past still weigh heavily on the present, and that in China the relationship between individual bodies and national causes remains strikingly evident and salient.
