Maths Trail. Doing a Maths Trail around the local park or amenity is a great way to help individuals develop their maths eyes and use their own strategies for working our problems.

### **Maths Trail | Have You Got Maths Eyes**

The Purpose of this presentation: Identify what a maths trail is An obvious but key factor in selecting the location is to consider whether the location is rich in mathematics (Richardson 2004, 9). Potential maths trails can include the school yard, local park or a playground. Richardson (2004 ...

### **Maths Trails by Rilla Conlon on Prezi**

We may well find ourselves saying to children "Be systematic!", or words to that effect. However, we cannot expect learners to work systematically without articulating what it means and why it is such an important mathematical skill.
