Criticism of Islam has existed since its formative stages. Early written disapproval came from Christians as well as by some former Muslims such as Ibn al-Rawandi. Western criticism has grown in the 21st century. Objects of criticism include the morality and authenticity of the Quran and the hadiths, along with the life of Muhammad, both in his public and personal life.

An empire is a sovereign state functioning as an aggregate of nations or people that are ruled over by an emperor or another kind of monarch. The territory and population of an empire is commonly of greater extent than the one of a kingdom. An empire can be made solely of contiguous territories, such as the Austro-Hungarian Empire or the Russian Empire, or of territories far remote from the ...
