The Challenge. Meetings are supposed to improve creativity and productivityâ€”but they do the opposite when theyâ€™re excessive, badly scheduled, poorly run, or all three.

### **Stop the Meeting Madness - Harvard Business Review**

One basic difference between global teams that work and those that donâ€™t lies in the level of social distanceâ€”the degree of emotional connection among team members.

We are uncovering better ways of developing software by doing it and helping others do it. Through this work we have come to value: Individuals and interactions over processes and tools Working software over comprehensive documentation Customer collaboration over contract negotiation Responding to change over following a plan. That is, while there is value in the items on
