Centre for Teaching and Learning - Western University

Mentorship is a relationship in which a more experienced or more knowledgeable person helps to guide a less experienced or less knowledgeable person. The mentor may be older or younger than the person being mentored, but he or she must have a certain area of expertise. It is a learning and development partnership between someone with vast experience and someone who wants to learn.

Mentorship - Wikipedia

Youth mentoring is the process of matching mentors with young people who need or want a caring, responsible adult in their lives. Adult mentors are usually unrelated to the child or teen and work as volunteers through a community-, school-, or church-based social service program.
