

methods of teaching computer pdf

Overall, the evaluation revealed that the Computer Literacy course is successful in providing basic understanding and application of computer. Recommendations on alternative teaching strategies are made to improve learning effectiveness. Introduction Computer literacy is expected for both academic and career achievement (Davis, 1999).

Teaching Computer Skills to Beginners: What and How?

The term teaching method refers to the general principles, pedagogy and management strategies used for classroom instruction. Your choice of teaching method depends on what fits you – your educational philosophy, classroom demographic, subject area(s) and school mission statement.

Teaching Methods - Teachers Make a Difference | Teach.com

formats of course contents and methods of communication delivered in distance learning environment such as Microsoft PowerPoint (ppt) and Word, Adobe Portable File Format (PDF), phones or emails are possible to have some level of interactivity.

Teaching computer science courses in distance learning

The purpose of this chapter is first, to let the students in the MTCS course experience a variety of teaching methods before becoming computer science teachers; second, to discuss, together with the students, the advantages and disadvantages of these teaching methods; and third, to demonstrate high school teaching situations in which it is appropriate to employ these teaching methods.

Teaching Methods in Computer Science Education - Springer

The application teaching methods are even less elaborate than those of programming and programming languages hence today they can look back only on a history of 10 (or maximum 20) years.

(PDF) ICT Teaching Methods – Applications - ResearchGate

Normally, in teaching computer programming, students will first be introduced to the concept of programming and data structure where they are taught on how to analyze problems, use specific techniques to represent the problem solution and validate the solution.

INSTRUCTIONAL STRATEGY IN THE TEACHING OF COMPUTER - TOJET

Rethinking Classroom Strategies for Teaching Computer Science G Teacher Guide Revision 160422.1a ...

The only bad method is claiming another's work as your own. Don't be a Know-It-All We often think that being a teacher means being an expert. In computer science, it's really much more important to be a cheerleader.

G Rethinking Classroom Strategies for Teaching Computer

150 Teaching Methods 1. Lecture by teacher (and what else can you do!) 2. Class discussion conducted by teacher (and what else!) 3. Recitation oral questions by teacher answered orally by students

150 Teaching Methods

computers in teaching-learning process. Keywords: computer-use, computer aided learning (CAL), computer managed instruction (CMI), and computer assisted instruction (CAI) 1. Introduction The past two decades have witnessed a dynamic shift in the way the computers have been used as a tool in the teaching-learning process.

Computer Use by School Teachers in Teaching-learning Process

or teaching methods. Having spent years in schools, you will recognize each and probably have strong preferences for one or two models. • Didactic- Direct teaching; Verbal and typically in the form of a lecture or presentation. • Modeling- Direct teaching; Visual and typically in the form of demonstration and practice.
