

mistrusting refugees pdf

A refugee camp is a temporary settlement built to receive refugees and people in refugee-like situations. Refugee camps usually accommodate displaced persons who have fled their home country, but there are also camps for internally displaced persons. Usually refugees seek asylum after they've escaped war in their home countries, but some camps also house environmental-and economic migrants.

Refugee camp - Wikipedia

Nachmanides, first as rabbi of Girona and later as chief rabbi of Catalonia, seems to have led a largely untroubled life. When well advanced in years, however, his life was interrupted by an event which made him leave his family and his country and wander in foreign lands.
