Models Representation And The Scientific Understanding Models representation and the scientific understanding , the reader soon will learn that wartofsky is a genial, lucid and relaxed philosophical companion, deeply serious

### **Models Representation And The Scientific Understanding PDF**

In this chapter, a model for the representation of conceptual knowledge is presented. Knowledge can have many facets, but it is basically constituted by static components, called concepts or facts, and dynamic components, called skills, abilities, procedures, actions, etc.,

### **A General Knowledge Representation Model of Concepts**

as the representation of an object in the world by a model would, from the constructivist perspective, turn into the study of the relation between a model and another representation, or an object constituted by another representation.
