Chapter 2: Introduction to Ethics - Oregon State University

One such accepted moral standard is the common morality. The common morality consists of normative beliefs and behaviors that the members of society generally agree about and that are familiar to most human beings. Because it forms what can be thought of as a universal morality, the common morality provides society with a framework of ethical stability.

Introduction to Ethics - Jones & Bartlett Learning

1. Customary or traditional morality. Traditional morality refers to the moral systems handed down through custom from generation to generation. We might call this static morality 2. Reflective morality. Reflective

morality requires that moral ideas are carefully examined and tested.
