

mount everest the reconnaissance pdf

The reconnaissance of Mount Everest is a long story, and I do not propose to tell it now. It was necessary for our purpose, firstly, to seek in an unexplored country the most convenient approaches to various parts; secondly, by regarding the mountain from many different points of view to come to a correct understanding of its shape, and distinguish the vulnerable parts of its armour; finally, to pit our skill against the mountain wherever an opportunity of ascent presented itself.
