

music of the renaissance pdf

Renaissance music is vocal and instrumental music written and performed in Europe during the Renaissance era. Consensus among music historians has been to start the era around 1400, with the end of the medieval era, and to close it around 1600, with the beginning of the Baroque period, therefore commencing the musical Renaissance about a hundred years after the beginning of the Renaissance as ...

Music is a form of art; an expression of emotions through harmonic frequencies. Music is also a form of entertainment that puts sounds together in a way that people like, find interesting or dance to. Most music includes people singing with their voices or playing musical instruments, such as the piano, guitar, drums or violin.. The word music comes from the Greek word (mousike), which means ...
