The aim at My Start-up is to both inform and motivate entrepreneurs who seek to start and grow their own business, equipping them with a real â€”foundationâ€” in what is needed to avoid becoming one of the statistics.

My Start-Up - Give your new business every chance at success

Startup companies are newly born companies which struggle for existence. These entities are mostly formed based on brilliant ideas and grow to succeed. These phenomena are mentioned in the literature of management, organization, and entrepreneurship theories. However, a clear picture of these ...

Startup Companies: Life Cycle and Challenges by Aidin

This is a business book that reads (quickly) as an excellent memoir in the life story of a software startup. The authors ability to tell his story while simultaneously throwing in bits of business wisdom (some of which the seasoned business reader will most likely know or have experience with) is refreshing.
