Absolute monarchy is a form of monarchy in which the monarch holds supreme authority and where that authority is not restricted by any written laws, legislature, or customs. These are often, but not always, hereditary monarchies. In contrast, in constitutional monarchies, the head of state's authority derives from and is legally bounded or restricted by a constitution or legislature.

What originally brought to mind Maïne's conception of ancient societies were some passages I read in Nassim Nicholas Taleb's latest book *Skin In the Game*. Taleb makes the point that things don't necessarily scale up; when they do, they lose the characteristics that allow them to operate on the smaller scale.
