Welcome to psyllids.org This site is an ongoing project to present and summarize general information about psyllids, their biology, host plant associations and the economic and ecological impact that psyllids have on man-made and natural environments.

psyllids Home Page

The history of alternative medicine refers to the history of a group of diverse medical practices that were collectively promoted as "alternative medicine" beginning in the 1970s, to the collection of individual histories of members of that group, or to the history of western medical practices that were labeled "irregular practices" by the western medical establishment.

History of alternative medicine - Wikipedia

In mythology, the bee, found in Indian, Ancient Near East and Aegean cultures, was believed to be the sacred insect that bridged the natural world to the underworld.

Bee (mythology) - Wikipedia

EPA's Superfund program is responsible for cleaning up some of the nation's most contaminated land and responding to environmental emergencies, oil spills and natural disasters.

Over the past century Western industrialized nations have attempted to reorganize the rest of the planet to live by their understanding of the natural and social world. In many ways they have been very successful in this endeavor. Over the period a world economic system has emerged with which communities must increasingly interact.

An Explanation and History of the Emergence of Capitalism

Barack Obama has been known well because of his excellent ability of speaking in front of many people. He can really make the people feel moved and change their minds through the words he speaks.
