Nyaya, one of Hinduism's six orthodox schools of philosophy has been of interest to western philosophers largely because of its sophisticated analysis of logical and linguistic problems. In India, the purpose of the orthodox school (or dar'ana - "view") has been to lead the student toward liberation (moka).

The concept of self (atman) in Nyaya-Vaisesika philosophy

Like the Nyaya system, the Vaisesika is a realistic philosophy which combines pluralism with theism. It traces the variety of the objects of the world to the combination of material atoms of different kinds and qualities.
