Dane Wigington geoengineeringwatch.org. Geoengineering The Oceans. Though many have now at least heard of the ongoing atmospheric spraying known as solar radiation management (SRM) and stratospheric aerosol geoengineering (SAG), most are still not familiar with another form of geoengineering, "ocean fertilization". It's easy enough for the average person to take note of the all too visible ...

Peak oil is the theorized point in time when the maximum rate of extraction of petroleum is reached, after which it is expected to enter terminal decline. Peak oil theory is based on the observed rise, peak, fall, and depletion of aggregate production rate in oil fields over time. It is often confused with oil depletion; however, whereas depletion refers to a period of falling reserves and ...
