Oregon Unforgettable (Mount Hood cover): photography by

The name Parkdale describes this small community beautifully. As the terminus for the Mt. Hood Railroad (carrying produce to market since 1906), Parkdale is situated among the fruit orchards of the Columbia River Gorge against the backdrop of majestic Mt. Hood.

Parkdale - Travel Oregon

Mount Hood Coordination Plan June 2013 Final 2 Mount Hood volcano is close to small but rapidly growing communities and recreation areas, and is within 70 miles of metropolitan Portland, Oregon.

Mt Hood Coordination Plan - oregon.gov

Mount Hood By Jon Bell Mount Hood is a stratovolcano in northwest Oregon located about fifty miles east of Portland and thirty-five miles south of the Columbia River. At 11,244 feet, it is the highest point in Oregon and the fourth highest peak in the Cascade Range. Mount Hood has played a central role in the geology,

Mount Hood - The Oregon Encyclopedia

The Mt Hood Loop of the Oregon Cascades Birding Trail rises from the Columbia River to the base of Mt. Hood, the highest point in Oregon, and combines some of the best of the region's birding with legendary Oregon scenery.
