

### **origins of law and pdf**

In most of the English-speaking world, the legal systems are based upon English common law. Common law works on precedents, established by judges that date from early in English history. By the 17th century, statutes enacted by Parliament took precedent over common law. That is statutory law prevailed, and legislation became more important.

the sole source of law. But historical-ly, states mainly replaced customary law with imposed law. There is a great deal of law all around us that is not a product of the state, for law is a byproduct of voluntary interaction. As the great jurist Bruno Leoni argued, "Individuals make the law insofar as they make successful Cato's ...

The Origin of Law. by Gregory Allan. It's long past time we explore the meaning of the word "law." I can't say I know how this knowledge will effect your day-to-day life. I know it has effected mine, but listing the ways would be tough. I only know it's important to me. I hope it is also interesting to you. I've always been a rebellious sort.
