A Review of Narrative Methodology - University of Idaho

I reserved 'narrative' to refer to broader societal patterns of meaning, and in so doing acknowledge the discursive context within which participants' stories were enmeshed. In contrast, Riessman locates 'narrative' in the personal experiences of research participants. A Narrative Approach to Research 97

A Narrative Approach to Research - ERIC

Narrative film is usually thought of in terms of fiction but it may also assemble stories from filmed reality, as in some documentary film, but narrative film may also use animation. Narrative history is a genre of factual historical writing that uses chronology as its framework (as opposed to a thematic treatment of a historical subject).

Narrative - Wikipedia

Narrative theory starts from the assumption that narrative is a basic human strategy for coming to terms with fundamental elements of our experience, such as time, process, and change, and it proceeds from this assumption to study the distinctive nature of narrative and its various structures, elements, uses, and effects.

What is Narrative Theory? | Project Narrative

This clearly written and engrossing book presents a global narrative of the origins of the modern world from 1400 to the present. Unlike most studies, which assume that the "rise of the West" is the story of the coming of the modern world, this history, drawing upon new scholarship on Asia, Africa, and the New World, constructs a story in which those parts of the world play major roles.
